Words of advice to future 5th graders:

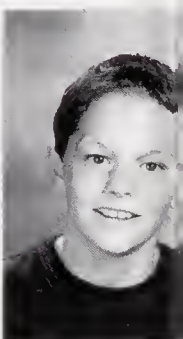

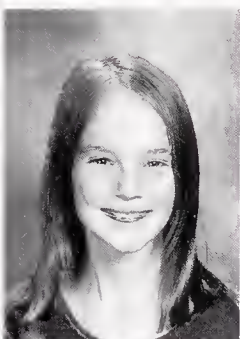

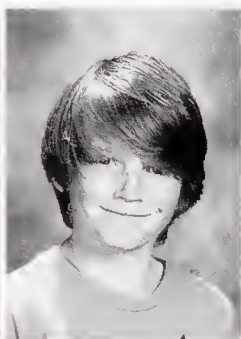

I like Rowland Hall because I think that the community the teachers create is the best community for the kids to grow up in and learn in. - Sam Lair

- Work hard, stay organized and don't be afraid of stretching your mind and trying new things
- Have the time of your life!
- Don't be scared.
- Don't forget your homework!
- 5th Grade is awesome!

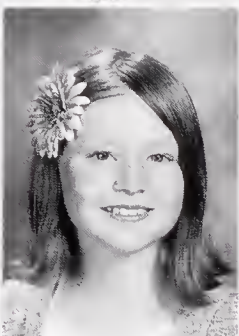

My favorite memory of Rowland Hall is when everyone in the grade did community service each year. Like this year in fifth grade, I really liked going to the food bank. - Ian Burningham

I am looking forward to more food choices and different dress code in the Middle School. I think it will be different from the Lower School because it has different classrooms for every subject. I also think that it will be exciting to be in the Middle School because people tell me it will be just like Junior High. - Sarah McGuire

What I am looking forward to about the Middle School is the trips, and more freedom like being able to lock your locker and getting to wear the colors I want to. I'm kind of scared of the teachers, though...
- Grace Riter

Mr. Obermark's Class

I like Rowland Hall because you get help from the teachers when you need it, and there is lots of new technology to make learning more interesting. - Leo Doctorman

Words of advice to future 5th graders:

- Look forward to another great year; it will be very different than 4th Grade.
- Watch out for the cow heart dissection in Science. It is huge! Try not to be grossed out when Mary brings it in.
- You can be very successful if you work hard and good things will happen, but if you don't work, bad things will happen.
